for more information!

## COMMUNITY PARTICIPATION = COMMUNITY SUCCESS

### WHERE EVERYBODY KNOWS YOUR NAME...

Green Bay is a "city of neighborhoods" where the diversity of each neighborhood provides opportunities for families, singles, young people, seniors, individuals with special needs, and citizens of all races to live together in one community. Good neighbors are about relationships and neighborhood standards that can work effectively in unison to manage neighborhood problems and improve the quality of life in all communities.

Getting to know your neighbors can be very rewarding and beneficial to you and your community. It is well documented that the healthier, more livable and safer neighborhoods are those where neighbors know, care, and support each other as well as overall community objectives.

Get to know your neighbor! Introduce yourself! One of the easiest and most rewarding ways to get to know your neighbors is by participating in neighborhood events. The neighborhood needs you and your talents!

Social events involving neighbors on your block and community wide events are great strategies for meeting people. So get started and plan annual or semi-annual events, neighborhood improvement projects or other activities that provide opportunities for positive interactions.

### TAKE OWNERSHIP OF YOUR NEIGHBORHOOD!

By taking responsibility for planning, implementing, and maintaining projects and events in your neighborhood, you will take more initiative not only in preserving the integrity and quality of that project but of the entire neighborhood as well.

### BECOME A NEIGHBORHOOD AMBASSADOR!

We are recruiting a special brigade of neighborhood leaders that are willing to set a good example in the community. Parents, be a good example to your children! Children, be a good example to your peers! Involvement in your community speaks volumes!

This is your chance to be an asset to your neighborhood! People of ALL ages are encouraged to become a Neighborhood Ambassador! Simply submit your name, phone number and email address to any one of the Neighborhood Association Board Members (via email, phone or in person) and you will be appointed a Neighborhood Ambassador! All active Neighborhood Ambassadors will be recognized for their service in upcoming newsletters. Your contact information will only be shared with other Neighborhood Ambassadors and Board Members.

### HERE ARE JUST SOME OF THE WAYS YOU CAN CONTRIBUTE AS A NEIGHBORHOOD AMBASSADOR:

-Attend any neighborhood meeting on the last Tuesday of each month at the Fisk Park Shelter (winter meetings are held in the West High Community Room). You can voice your concerns, share your ideas, or just listen. It's always good to know what is happening in your neighborhood and by attending a meeting you'll be the first to know!

-Welcome newcomers to the neighborhood. A simple "Hello!" and an introduction of yourself can do wonders!

-Share any neighborhood news to other Ambassadors and Board Members. Knowing about your neighborhood will help you to be a better neighbor!

-Deliver the neighborhood newsletter. Whether it be just one block, or an entire area, by delivering a newsletter to your neighbors you not only get to meet people, you get some good exercise too!

-Assist with neighborhood events. Ideas, planning, setting up, and/or cleaning up. Every little bit helps!

-Contribute to the FANA FOCUS. Share a story about a neighbor or the neighborhood, give an idea for a story to the editor, promote an upcoming event, or help to bring new sponsors to advertise in the newsletter.

Please consider getting involved! By becoming a Neighborhood Ambassador you will become part of a network of people that will become an invaluable resource to you AND your family!
